## How does the Plan Work?

The Policy will pay a lump sum if any member you have insured dies during the period of cover.

## How much will the Policy pay out?

You decide how much benefit you would like this policy to pay out. There are five different cover levels available to choose from: GHS10,000, GHS20,000, GHS30,000, GHS40,000 and GHS50,000.

## How much premium will I have to pay?

The cover level you choose and the ages of the person(s) you intend to cover will determine your monthly, bi-annual or annual premium.

## Does the Policy cover the policyholder abroad?

The policy does not cover the policyholder; it covers the loved ones in Ghana.

## Who can the Policy cover?

The policy covers a maximum of 4 members (spouse, children, parents, foster-parents, guardian, parents-in-law, siblings and grandparents).
